1. All counts are rounded to the nearest ten and all amounts are reported in thousands. The sum of the data may not add to the total, due to rounding.
2. A zero [0] indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeroes.
3. Shared custody situations can result in two recipients claiming entitlement for the same child. Therefore, each GST /HST parent recipient of a children in a shared custody is counted in the table.
