Appendix 1

PLEASE READ CAREFULLY

The Citizens' Advisory Committee is comprised of citizens from the community who volunteer their time to act as advisors, objective observers, and community liaisons to the Correctional Service of Canada.

Application to the Citizens' Advisory Committee does not guarantee appointment. Current CSC employees, contractors and offenders are not eligible to apply.

All applicants are required to partake in an orientation/training session.

Applicants are appointed for a term of two years. Appointments are made by the Deputy Commissioner of the region from which the applicant is applying, based on recommendations from the Institutional Head or Parole Office Manager, and the involved Citizens' Advisory Committee.

Prior to approval, all applicants must undergo a security clearance.

At the end of this first two-year term, members *may* be re-appointed provided that the individual member, the Institutional Head or Parole Office Manager, and the Citizens' Advisory Committee are in mutual agreement.

All information obtained by members in the course of their duties must be held in strict confidence. Members will be expected to adhere to the same standards of confidentiality that apply to government employees under the *Privacy Act*.

Committee members are not advocates, but rather, informed and impartial observers, advisors and communication links to the community, the staff and management of federal facilities/parole offices, and to offenders.
